Boeing 777 Intake Plugs, Framed, Bi-Fold Design

Section 2: Engine Covers

Boeing 777 Intake Covers, GE Engine

Boeing 737 Throttle Quadrant Cover

| Description | Part Number | Price |
|--|-----------------|------------------|
| INTAKE COVERS, PW Engine (set of 2) | B777-105 | \$4365.00 |
| INTAKE COVERS, PW Engine, Cold Weather Ops w/ heater hose access vent & attachment detail (set of 2) | B777-110 | \$6560.00 |
| INTAKE COVERS, GE Engine (set of 2) | B777-115 | \$5025.00 |
| INTAKE COVERS, GE Engine, Cold Weather Ops w/ heater hose access vent & attachment detail (set of 2) | B777-120 | \$7540.00 |
| THROTTLE QUADRANT COVER, "WARNING: Remove Engine Covers Before Throttle Movement" | B777-400 | \$1070.00 |

Section 3: Plugs & Protection

Boeing 777 Heat Resistant Pitot Tube Covers, are made of Naugahyde vinyl, and lined with a non-burning material. They are designed to cover the entire pitot assembly, slipping over the tube and tightening around the base with a Velcro strap detail. A "Remove Before Flight" streamer is attached to the cover. **Heat Resistant Pitot Covers** are an upgrade to our standard design, and help prevent the pitot cover from melting onto the tube if the pitot heat is accidentally turned on while installed. If you want the set tethered together, please let us know.

The **Engine Exhaust Plugs** are custom fit for your Boeing 777 exhaust openings, made with heavy-duty vinyl material, and stuffed with a single block of sculpted urethane foam. Each plug has a zipper that allows the foam to be removed and dried if necessary. Exhaust plugs have 'remove before flight' streamers sewn onto the face of the plugs. Most plugs are imprinted with the aircraft registration number in black for an extra charge. Exhaust plugs may be inserted soon after flight when the engine is still warm. Engine Inlet Plugs are commonly referred to as Cowl Plugs, Intake Plugs, Cowl Blocks, Engine Blocks, and Engine Bungs.

The **Engine Inlet Plugs** are custom fit for your Boeing 777 intakes, made with heavy-duty vinyl material, and stuffed with a single block of sculpted urethane foam. Each plug has a zipper that allows the foam to be removed and dried if necessary. Engine plugs have 'remove before flight' streamers sewn onto the face of the plugs. Most plugs are imprinted with the aircraft registration number in black for an extra charge. Storage bag NOT included. Engine plugs may be inserted after flight when the engine is still warm. Boeing 777 Intake Plugs, Folding Type

Boeing 777 Bypass Vent & Exhaust Plugs

| Description | Part Number | Price |
|---|-----------------|------------------|
| INTAKE PLUGS, framed, Bi-fold design (set of 2) | B777-100 | \$7145.00 |
| BYPASS VENT & TURBINE EXHAUST PLUGS, PW4000 Engines (set of 8) | B777-200 | \$8030.00 |
| BYPASS VENT & TURBINE EXHAUST PLUGS, PW4000 Engines (Single Nacelle) (set of 4) | B777-201 | \$4220.00 |
| BYPASS VENT & TURBINE EXHAUST PLUGS, GE90 Engines (set of 14) | B777-205 | \$8030.00 |
| BYPASS VENT & TURBINE EXHAUST PLUGS, GE90 Engines (Single Nacelle) (set of 7) | B777-206 | \$4220.00 |
| BYPASS VENT & TURBINE EXHAUST PLUGS, RR Trent 800 Engines (set of 14) | B777-216 | \$8030.00 |
| APU EXHAUST PLUG | B777-250 | \$205.00 |
| TAT COVER, heat resistant type | B777-405 | \$120.00 |
| PITOT COVER SET, heat resistant type (set of 3) | B777-410 | \$655.00 |

Section 5: HeatShields & Sun Reflectors

Cockpit Heatshields are interior sunshades for the aircraft's cockpit. The product is a unique composite of closed-cell foam with a silver mylar finish. The semi-rigid design is stiff enough to stand inside the window framing. The set folds up flat and is easily stored in the included storage sleeve. Some designs may require velcro and suction cups. Our Heatshields for jets are offered white side out because some aircraft manufacturers have issued advisories against reflective window inserts due to potential heat damage. A Heatshield is an excellent short-term remedy for cockpit overheating, but an external fabric cover is more effective for long-term protection.

Boeing 767 Cockpit HeatShield set

Boeing 767 Cockpit HeatShield set

| Description | Part Number | Price |
|--------------------------------|-----------------|-----------------|
| COCKPIT HEATSHIELDS (set of 6) | B777-900 | \$710.00 |

Section 6: Miscellaneous Products

Tire or Wheelpant Covers are designed to protect the wheelpants, or the tires and wheels, from sun damage and damage from the tow bar when moving the airplane.

ALL-YEAR USE MATERIAL - Made with Silver Acrylic Sunbrella canvas, the all-year use material is the best option for sun protection and cover longevity. This heavier more durable material is intended for all weather conditions, such as rain and snow or lots of sun.

Boeing 777 Main Gear Tire Covers

Boeing 777 Main & Nose Gear Tire Covers

| Description | Part Number | Price |
|-----------------------------------|-----------------|------------------|
| NOSE GEAR TIRE COVERS (set of 2) | B777-801 | \$850.00 |
| MAIN GEAR TIRE COVERS (set of 12) | B777-802 | \$5145.00 |

Prices subject to change. Other Covers and Design Alterations: Prices on request.
Prices are FOB Morgan Hill, CA. Sales tax on orders shipped to California addresses. Orders take approximately 3 weeks to complete. For domestic orders we normally ship by UPS ground service.
