manufacturer of the finest custom-made aircraft covers

Tech Sheet: Boeing 787 Dreamliner (boeing-B787.pdf)

Section 2: Engine Covers

Boeing 767 Intake Covers, P/N: B767-105

Boeing 787 Intake Cover

Description	Part Number	Price
INTAKE COVER, OEM Type, each, Boeing P/N: K10011-2, adjustable straps to bypass attachment detail	B787-100	\$2295.00
INTAKE COVERS, Rolls-Royce Trent 1000 Engines (set of 2)	B787-101	\$4565.00
INTAKE COVERS, GE GEnx Engines (set of 2)	B787-102	\$4565.00
INTAKE COVERS KIT, OEM Type, each, Boeing P/N: K10011-1 (equals qty 2 of K10011-2), adjustable straps to bypass attachment detail (set of 2)	B787-105	\$4565.00
INLET COVER (GENERAL ELECTRIC), Boeing Tool No: PREFAD48BENC54Z001, 8 ball lock attachment details	B787-110	\$1845.00
INLET COVER (ROLLS ROYCE), Boeing Tool No: PREFAD48BENC54Z002, 8 ball lock attachment details	B787-115	\$1845.00

Section 3: Plugs & Protection

Boeing 787 Dreamliner Heat Resistant Pitot Tube Covers, are made of Naugahyde vinyl, and lined with a non-burning material. They are designed to cover the entire pitot assembly, slipping over the tube and tightening around the base with a Velcro strap detail. A "Remove Before Flight" streamer is attached to the cover. **Heat Resistant Pitot Covers** are an upgrade to our standard design, and help prevent the pitot cover from melting onto the tube if the pitot heat is accidentally turned on while installed. If you want the set tethered together, please let us know.

The **Engine Exhaust Plugs** are custom fit for your Boeing 787 Dreamliner exhaust openings, made with heavy-duty vinyl material, and stuffed with a single block of sculpted urethane foam. Each plug has a zipper that allows the foam to be removed and dried if necessary. Exhaust plugs have 'remove before flight' streamers sewn onto the face of the plugs. Most plugs are imprinted with the aircraft registration number in black for an extra charge. Exhaust plugs may be inserted soon after flight when the engine is still warm. Engine Inlet Plugs are commonly referred to as Cowl Plugs, Intake Plugs, Cowl Blocks, Engine Blocks, and Engine Bungs.

Grumman Gulfstream G-V Rosemont/TAT Cover

Airbus A330 Intake Plug, framed bi-fold type

Description	Part Number	Price
INTAKE PLUGS, GENx Engines, framed, Bi-fold design (set of 2)	B787-150	\$9625.00
INTAKE PLUGS, Rolls-Royce Trent 1000 Engines (set of 2)	B787-155	\$9625.00
BYPASS VENT, TURBINE EXHAUST, & EXHAUST NOZZLE PLUGS, GEnx Engines (set of 10)	B787-200	\$6965.00

RAM AIR INTAKE PLUGS (set of 2)	B787-275	\$395.00
TAT COVER, heat resistant type (set of 3)	B787-405	\$345.00
PITOT COVER SET w/ AOA STRAP, heat resistant type (set of 6)	B787-410	\$860.00

Section 5: HeatShields & Sun Reflectors

Cockpit Heatshields are interior sunshades for the aircraft's cockpit. The product is a unique composite of closed-cell foam with a silver mylar finish. The semi-rigid design is stiff enough to stand inside the window framing. The set folds up flat and is easily stored in the included storage sleeve. Some designs may require velcro and suction cups. Our Heatshields for jets are offered white side out because some aircraft manufacturers have issued advisories against reflective window inserts due to potential heat damage. A Heatshield is an excellent short-term remedy for cockpit overheating, but an external fabric cover is more effective for long-term protection.

Boeing 767 Cockpit HeatShield set

Boeing 767 Cockpit HeatShield set

Description	Part Number	Price
COCKPIT HEATSHIELDS (set of 4)	B787-900	\$515.00

Section 6: Miscellaneous Products

Tire or Wheelpant Covers are designed to protect the wheelpants, or the tires and wheels, from sun damage and damage from the tow bar when moving the airplane.

ALL-YEAR USE MATERIAL - Made with Silver Acrylic Sunbrella canvas, the all-year use material is the best option for sun protection and cover longevity. This heavier more durable material is intended for all weather conditions, such as rain and snow or lots of sun.

Boeing 757 Tire Covers, Wash Down or Long-term Storage

Boeing 757 Tire Covers, great for Wash Prep or Storage

Description	Part Number	Price
NOSE GEAR TIRE COVERS (specify tire size) (set of 2)	B787-500	\$670.00
MAIN GEAR TIRE COVERS (specify tire size) (set of 8)	B787-505	\$2965.00
